KIT GUIDE

CLUB KIT INFORMATION

The club organises an annual bulk order through **Crewroom**, typically in October, with delivery taking around 10 weeks (lead times can vary).

Other branded City of Cambridge Rowing Club kit is available from the approved suppliers listed in this guide.

These items can be ordered individually, suitable for those new to the club and in need of racing AIO's sooner - average lead time for these orders is around 4 weeks.

Any custom kit designs, including race t-shirts or other clothing items not listed on the approved supplier list, must be submitted to the Brand Development Team for review and approval before ordering.

For any queries, kit suggestions or kit design approvals please contact:
